

Lutheran Resort Association Lot Line Locations Lot # _____

1. Lot lines shall be located, verified, and/or marked at each corner.
2. The marker shall be a 6" diameter hole 18" in depth with a rebar in the center and set to finish grade or a permanently placed post at the center of the property line.
3. Lot lines shall be marked when either:
 - A. New exterior construction of any type
 - B. Dock modifications
 - C. New sea wall
 - D. Change of membership, except for adding or removing family members.
4. The Construction Committee will verify placement of markers and report to the Board.

The committee may be asked to assist in locating Lot lines.
